MARCH 17TH

Roundtable

Career in Payments, From Treasury to Product

16:45 - 17:45 CET

How the role of the Payment Manager is evolving on the merchant side, including how responsibilities, expectations, and required skills have shifted in today's payment environment.

Merchant Workshop

When Payment Becomes
a Leadership Function

DAY

02

MARCH 18TH

TIME

16:55 - 17:55 CET

Across the industry, the challenge is rarely technical. It is cultural: payments are still treated as operational rather than strategic.
